

## ILK210 INTERLOCK CONTROLLER

The ILK210 Interlock Controller incorporates application firmware and a LONWORKS® control module. As a member of The Smart Touch® Product Family, ILK210 is fully compatible with Habtech ST2000 Security Management Systems.

These controllers are designed for LONWORKS control system applications where door interlocking is required, such as detention centres and correctional institutions.

### FEATURES

- ▼ Supports interlocking for up to 16 doors per controller
- ▼ Compatible with Habtech's SDC210 and SGC210 controllers
- ▼ Accepts standard Echelon Twisted-Pair Control Modules
- ▼ Simple connection and easy mounting on standard DIN rails
- ▼ Ideal for physical access control applications in correctional institutions
